House Group It is hoped that, in the Spring, the House Group will concentrate on Paul's Letter to the Romans.

The first two House Group Meetings will be used to show a film, in two parts, as an introduction to Paul and to show how he got to Rome. The third meeting will be an introduction to Paul's letter to the Romans. Part one of the film will be shown on the 16th January. Further information is available on the notice board.
