**Harvest Festival:** This will take place on Sunday 26<sup>th</sup> September. This year we are splitting our donations between two charities: our local foodbank here in Irthlingborough and Care4Calais.

The latter is a volunteer run charity delivering essential aid and support to refugees living in the UK, Northern France and Belgium. They are currently helping with Afghani refugees and our local drop off point is in Rushden. Keep a look out in the

notices over the next few weeks as their list of needs changes week by week and will be updated. They always need: Tinned kidney beans, any white beans and chickpeas as well as bags of white cooking rice and black tea.
